Not typing a city in the City field will display all cities within that county.

The screenshot shows the SC DOR Alcohol Beverage and Licensing website. At the top, there is a header with the SC DOR logo and the title "Alcohol Beverage and Licensing". Below the header, there is a search interface with a "Select a County" dropdown menu set to "BEAUFORT". There are two input fields: "Enter City Name (Optional)" with "hilton head island" entered, and "Enter License Type (Optional)" which is empty. A "Click for License Types" button is located below the input fields. To the right of the search interface, there is a "Data Current Through: 3/21/2012" label and a box with instructions: "To sort by a column please click on the column heading. The Print button will only print the current page. To print the entire report, scroll and print each page." Below the search interface, there is a table with the following columns: License No, Business Name, Legal Name, Location Address, City, License Type, Open Date, and Close Date. The table contains 12 rows of license data.

3. Enter a License Type (Optional)

By typing a license type in the **License Type** field, the table will display the locations that hold that particular type of license.

1. You must **delete the * (asterisk)** in the field before typing the license type.

2. **Type the license type** in the License Type field.

- o Click the **Click for License Types** button to get a listing of types of alcoholic beverage licenses. This will help you to know what to type in the **License Type** field. Click **Close** when you are finished looking at the list.

The screenshot shows the SC DOR Alcohol Beverage and Licensing website search interface. The "Select a County" dropdown menu is set to "BEAUFORT". The "Enter City Name (Optional)" field contains "hilton head island". The "Enter License Type (Optional)" field is empty and highlighted with a yellow border. A "Click for License Types" button is located to the right of the input fields.

3. Press **Enter** on your keyboard after typing a city name for the data to populate.

- o The License field is **not case sensitive**.
- o **You can use only a few letters or one word as a wild card.** For example, if you would like to see only the beer and wine permits in a specific area, only type the word **beer** in the License Type field and hit enter. This will return all license types with the word **beer** in the title.

Not typing a license type in the License Type field will display all license types within that county/city.
